On receipt of your completed form and fee, you will be contacted by your tutor who will support your studies for the duration of your extension period.

PLEASE NOTE: You may only apply for an extension during the six month period after the expiry of your initial period of tuition. Only one extension per module or part-module is allowed. If you have not completed the module or part-module at the end of the extension period and wish to continue working on it, you will need to re-purchase it at the fee payable at the time, at which point you will be sent the latest version of the course material and automatically be allocated a new tutor. You need to have attempted all of the exercises in the module or part-module in order to receive the associated credits.

All extension course fees are payable in advance and are non-refundable, except in exceptional circumstances, which must be explained in writing to the Faculty.
