THE FACULTY OF ASTROLOGICAL STUDIES

Founded in London in 1948, we have an international reputation for excellence in astrological education. There are a number of ways to study with us. We offer a comprehensive training from beginner to qualified astrologer, alternatively, you can take a module, part module, online or day seminar to brush up particular skills.

THE FOUNDATION & DIPLOMA MODULE

London Classes or via Distance Learning

Whether you study for your own personal development or to become a fully qualified astrologer, the Faculty's Foundation and Diploma courses provide a complete and thorough astrological education. The Faculty's Diploma, the D.F.Astrol.S., is among the most highly valued and recognised international qualifications for the astrologer. You can choose how you study each Module, whether in London Classes, by Distance Learning or at Summer School.

SUMMER SCHOOL

Exeter College, Oxford,

18 – 25 August 2017

This week-long event, run in the beautiful Exeter College, is unique in the astrological calendar. It attracts students and tutors from around the world and offers a dynamic programme of study for all levels. You can come along for a day, the weekend or stay for the whole week.

The tutors for 2017 are: Darby Costello, Cat Cox, Bernard Eccles, Sue Farebrother, Kim Farley, Stevi Gaydon, Lindsay Gladstone, Rob Hand, Robin Heath, Michael Lutin, Deborah Morgan, Melanie Reinhart, Glòria Roca and Carole Taylor.

DAY SEMINARS

The Planet Series to June, The Zodiac Sign Series from September 2017

Suitable for beginners and those wishing to enrich their understanding, each seminar focuses on one planet or zodiac sign in depth examining its symbolism, associated myths and interpretation. Non-students are very welcome.

ONLINE SEMINARS

These 90-minute seminars offer a chance for non-London based students and non-students to interact in real time with a Faculty tutor and fellow students. Each session focuses on a particular aspect of interpretation or forecasting. The seminar recordings are available for streaming for 1 month after the seminar and can be accessed by everyone registered for the seminar whether or not they attended.

NEW! JUPITER ASTROLOGY GROUP

Open to all, these informal monthly meetings will be held in Central London. There will be a speaker and plenty of time to talk astrology and ask about courses. Starting in Summer 2017, see the website for more information.

OTHER EVENTS

These include an annual Faculty Open Day, when we celebrate the achievement of the new Diploma and Certificate Holders. Weekend workshops such as the Winter Weekend in February, Astrology of the Family in April and a weekend with Liz Greene (fully booked) in May. The Faculty also runs courses in association with Heaven and Earth Workshops in exotic locations like Bali and Goa. Each event has a dedicated web page and is listed in the Events Calendar www.astrology.org.uk/events-calendar

WHY STUDY WITH THE FACULTY?

The Faculty is run by a Council comprised of Diploma holders who are committed to providing first-class astrological education. Our nearly 70 years' experience means that:

- Our syllabus, courses and materials have been developed by many experienced astrologers. They are constantly being reviewed and updated, we are currently exploring multi-media options to enhance our students learning experience.
- All students have access these rich resources through our Online Learning Environment which contains comprehensive articles and exercises on every study topic. Everyone receives a copy of their own birth chart on enrolment.
- You choose how you want to study each Module: in London Classes, by Distance Learning or at Summer School.
- Our credit system allows you to take a break from studying if and when you need to and resume when you are ready.
- Your tutor(s) will offer you suggestions, advice and support throughout your studies.
- Our thorough training will enable you to develop your astrological expertise so that you can be confident in your ability if/when you work with others.
- If you want to gain a qualification, the Faculty's Diploma is recognised world-wide.

***If you want the best astrological education,
leading to an internationally-recognised Diploma, come to the Faculty!***
